

# Nemanja Antonijevic

Frontend Developer

+381611441507 | antonijevicnemanjaa@gmail.com | Serbia

## Summary

▪ Frontend Developer, with over year and half of experience. I have experience in building modern and interactive web applications.

## EXPERIENCES

### Freelance Web Developer

2024 -

Freelance, Remote

▪ Working as a freelancer, I had the opportunity to build and maintain websites and applications, according to client requests. I worked on smaller and more complex applications. The biggest challenge was a blog platform with 50-100 active users, which has advanced functionalities such as: groups, admin dash, auth, etc...

## Education

### Frontend JavaScript Developer

nov 2023 - aug 2024

ITAcademy, Belgrade

▪ A one-year client-side JavaScript programming course, where I learned the basics of the web, HTML, CSS, and advanced JavaScript concepts.

## Languages

English B2

Serbian C2

## Skills

, Programming Lanugages: JavaScript (ES6+, OOP, Asynchronous) TypeScript (basics), Libraries & Frameworks: React.js(hooks, props, state, reconciliation...), Next.js(app router, SSR,SSG,ISR...), HTML & CSS(TailwindCSS), Version Control(Git, Github)
