

Nemanja Antonijevic

Frontend Developer

I am a certified Frontend Web Developer currently seeking a new job opportunity. I have experience in creating modern, functional web applications and possess a strong skill set in frontend development. I stay up to date with the latest technologies and frameworks. Additionally, I excel in problem-solving, learning quickly and efficiently, and conducting effective research. My strong communication skills and ability to collaborate with team members make me confident that I can be a valuable asset to your team.
